

Council Report  
Steve Kinsky  
District 6 Central 1VDG

I attended DGE training in Phoenix early in January and was impressed at its call to action to all DGEs to begin preparations for next year. My plans will include the following, where the first two are designated as mandatory:

1. leadership development and action plans,
2. membership development and action plans,
3. restructuring of Zones in a manner more meaningful and better networkable than by location, and
4. development of one or more District-wide projects that will help unify the District and serve the community better.

I'll need help. Beyond this planning I'll also need to find a Treasurer, a couple-three Zone Chairs and a GMT Co-ordinator, maybe more so a GMTeam itself, especially considering that I'll likely want to make the formation of new Lions and Leo Clubs a vital part of the membership development plan.

Per the training, I'll also be soliciting feedback from the Cabinet before finalizing my plans.

-----

During my calls, I learned that Sec'y Barbara Guest is finishing up her Board duties on the RML Camp. She'll need a replacement. Contact her at [barbkat\\_nj@yahoo.com](mailto:barbkat_nj@yahoo.com) if you're interested.

Also, please contact me at [stevekinsky@gmail.com](mailto:stevekinsky@gmail.com) if you're interested in being a Zone Chair, District Treasurer or a member (and maybe even the Chair) of the GM Team.
