

2018 Convention Report

District 6SE was awarded the bid to host the 2018 Convention.

After discussion with the leadership of 6W, who would by tradition host the 2019 Convention, we are exploring the possibility of a multiyear agreement in a central location that would give the consolidated state/district convention plan a three year tryout. These three years would enable us to see if it is a successful format for accomplishing the goals of MD6. 6C and 6NE have been involved with these discussions as well.

We have solicited bids from two venues in Breckenridge for this purpose. Site visits will be scheduled in the next two months so that we can negotiate the best deal for the Lions of Colorado. The sites are Beaver Run Resort and The Village at Breckenridge.

Respectfully submitted,

Cathy Valenzuela
DG 6SE
