

## Celebrating Lions' 100<sup>th</sup> Anniversary, Celebrating You!

As related by International President Bob Corlew, Lions Clubs International surpassed the 1.4 million member mark at the end of October thanks to Lions like you. This is a great accomplishment, and thanks to you for working to make your club and your community stronger.

Also as related by IP Corlew, the goal of our new strategic plan, LCI Forward, is to triple our service impact by serving 200 million people a year by 2021. We are well on our way to meeting this goal, as Lions had served 133,734,856 people, world-wide, as of January 9, 2017.

To keep this momentum going and to help reach our service goals, we are asking every member to think about someone they know who shares our desire to help people and then ask them to join us in service.

### Plan Your Celebration

Lions Centennial happens only once! Be sure to mark this milestone with fun and memorable events that will engage your club and community. Visit the new [Ways to Celebrate](http://Lions100.org) page on Lions100.org for ideas to make your club celebration a success.

The following is our current MD-6 Centennial Dashboard. As can be seen, the percentage of our Clubs reporting our service activities is still considerably below what it needs to be.
