

MD6 Colorado Lions Diabetes Awareness Goals 2016/2017

Goal: Increase state-wide participation in Health & Wellness/Diabetes service projects during the 2016-2017 fiscal year.

Action Plan: Communicate resources available and assist districts and clubs with planning projects. Distribute LCIF Core 4 Diabetes Grant Program for large community project initiatives to prevent and reduce the impact of diabetes as a public health concern.

Goal: Increase **MD6 clubs' reporting of Diabetes activities**

Action Plan: Submit monthly Lions Diabetes newsletter highlighting Lions Diabetes service activities

Goal: Increase communication with MD6 District Diabetes Chairs

Action Plan: Contact district/club diabetes chairs regarding preferred communication, i.e., email, phone, chat etc. Establish group email distribution and/or facebook group

Goal: Increase Lions Diabetes Awareness in Communities

Action Plan: Request District and/or club chairs to include Lions & Diabetes brochure handouts at health fairs and community events.

Goal: Increase participation in November World Diabetes Day

Action Plan: Provide LCI planning guide to all clubs with suggested service activities

Goal: Increase donations to LCIF for Diabetes

Action Plan: Remind clubs that LCIF supports large scale diabetic retinopathy programs thru its SightFirst Program. Provide LCIF updates regarding Diabetes and LCIF Diabetes partners
