

Environmental Chairperson Report to MD6 Council
January 21, 2017

As we continue the Lions Centennial celebration, Lions have set a goal of serving 100 million people by the end of 2018. A part of this goal, 25 million people, involves environmental service. District Governors, please urge your clubs to plan and conduct environmental projects as a way of participating in the Lions Centennial celebration. Also, please remind your clubs to report their completed projects to LCI on their activities report.

It's not too late! I urge you to plan now. Think broadly! Let's consider projects that not only involve your clubs but your zones and the district as well. Let's make our centennial celebration one to be remembered!

Respectively Submitted,
PCC Lion Ron Lockner
