Subject: Report for the third council meeting

Here we are more than half way through the year. The districts have been all doing training, but the GLT's are not very good at getting me reports and our Area G GLT PCC John Hart expects me get my reports to him. I would ask that you please ask your district GLT's to be sure and get their reports to me and that they be accurated. In one instance I was told that no training was held when in fact there were two trainings. I did also ask all of the district governors to let me know as well and that is the only way I knew that some of the training occurred.

The area training in Phoenix occurred as you are aware and 6SE was not able to send our 1st VDG as she resigned from the position the week of the training. Luckily, through efforts of DG Kathy, PDG Rick Calhoun stepped to serve as 1st VDG. It appears now that he will be able to take that training with Area H and that training will take place in Annaheim, CA. I have been in contact with PDG Rick and PCC Dennis Grotrian the Area H GLT and he is more than happy for Rick to join with them.

Wyoming will host the Regional VDG training in Cheyenne February 24-26 and I believe they have all received that information.

Please governors, if there is any way I can help you in the area of leadership, please let me know.
