

----Happy New Year Lions----

IHDI is extremely busy with many applications for our trained dogs.

We currently have 34 dogs in our kennel, so there is lots of training, woofs, and poop.

New ways to "fund raise" will be the major topic for our Board Meeting next week.

We recently received new hoodies and calendars, which will include the new IHDI logo. These will be put into the market place, so as usual, we always appreciate your support.
