Subject: Report for second council meeting

The year is already going by so quickly. Many of the districts have held training and we had a very successful leadership institute. The leadership assessment and goals for the multiple have been completed and forwarded to our area leader. I was fortunate to be able to attend the USA/Canada Lions Leadership Forum in Omaha and went to both of the GLT seminars that were held.

The First Vice Governors have received their training information and second vice governors were emailed their requirements for online training.

**IMPORTANT DATES FOR VICE DISTRICT GOVERNORS.**

The area G training for 1<sup>st</sup> Vice District governors will be in Phoenix again this year January 6 -8, 2017 probably at the Best Western Airport Inn. PCC John Hart will be at the council meeting and we can get details from him then.

The regional multiple district training for vice district governors will be held in Wyoming February 24 - 26, 2017. If you have not received information on this training by December 1, 2016, please email District 15 GLT coordinator, Jim Reynolds :.jreyno9153@aol.com. Remember, MD6 budgets only for 1<sup>st</sup> Vice District Governors to attend and they are required to go. If 2<sup>nd</sup> Vice district governors want to attend, then the district should fund that for them.

Yours in Lionism,  
PCC Dr. Ron Smith
